

ACEC DELAWARE MEMBER OPPORTUNITY

Your Expertise Belongs at the Table

Join an ACEC Delaware committee and help shape the future of Delaware's engineering community.

ACEC Delaware is growing its committees and building the next generation of association leaders. We are inviting employees of member firms—from emerging professionals to experienced industry leaders—to contribute their knowledge, ideas and perspective.

Why join a committee?

- Help guide advocacy, education, membership and industry priorities.
- Build relationships with engineering professionals, public partners and future clients.
- Develop leadership experience and create a pathway to Committee Chair and Board service.
- Influence programs and resources that directly support ACEC Delaware member firms.

Committee opportunities

• Legislative Affairs	• PAC
• Membership	• Programs & Education
• Young Professionals	• Transportation
• Subdivision	• Utility Coordination Council
• Environment & Energy	• County & Municipal
• Buildings & Facilities	•

What to expect

- Participate in a monthly committee meeting and review materials in advance.
- Contribute ideas, professional expertise and timely follow-through on agreed action items.
- Attend ACEC Delaware Lunch & Learns; Committee Chairs are expected to attend both the Cornhole Tournament and Annual Crab Feast.
- Support committee events, outreach and member recruitment.
- Committee Chairs generally serve two-year terms and are designated annually by the Executive Board.

READY TO GET INVOLVED?

Visit acecde.org to complete the Committee Interest Application, or contact Crystal Timmons-Bryant at info@acecde.org.

Tell us which committee interests you—and whether you would consider serving as a member, Co-Chair or future Chair.

Committee participation is open to professionals from ACEC Delaware member firms. Leadership appointments are made in accordance with ACEC Delaware's bylaws and Board procedures.
